NOTICE TO SHAREHOLDERS OF THE SUB-FUNDS RENTA 4 - NEXUS (the "Sub-Fund")

Luxembourg, January 17th, 2022

Dear Shareholder,

We, the board of directors of the Company (the "**Board**") would like to inform you that Sub-Fund has ceased the use of its current benchmark (i.e. 75% EONIA Index + 25% Euro Stoxx 50 index PR EUR price) for the purpose of performance comparison since January 2022 in response to the proposed discontinuance of certain benchmarks (including London European Overnight Index Average (EONIA)) from January 2022. The discontinuance of these benchmarks is part of an industry driven reform to strengthen the resilience of global financial markets.

As such, please be informed that the information relating to the use of benchmarks by the Sub-Fund disclosed in the prospectus of the Company (the "**Prospectus**") will therefore now read as follows:

"Nexus is actively managed. Nexus has no benchmark index and is not managed in reference to a benchmark index."

This change will be reflected in a new version of the prospectus of the Company (the "**Prospectus**") and in the Sub-Fund's KIIDs, drafts of which are available upon request at the registered office of the Company.

If you require any further details, please contact your usual sales person/financial advisor.

Yours faithfully,

The Board
